

This is the perfect group
for you if:

- You believe in the collective power of women
- You believe in giving back and want 100% of your donation to go directly to a local charity
- You've been wanting to help those in need but are not sure how to fit it into your busy schedule
- You want to become part of creating a powerful new group of Grundy women who will make an ideate, direct, and positive impact in Grundy County

"It's empowering to come together with like-minded Grundy County women. We align our hearts and our dollars for a larger impact than we would otherwise make on our own. The unsuspecting charity is genuinely grateful and able to put our funds to work immediately. I highly encourage other women to get involved."

How it works:

- RSVP to Devan at 815-941-0852 or devan@cfgrundycounty.com.
- When you arrive, you will take a slip of paper and write down one favorite charity.
- You don't have to fill out a slip if you don't know the details of any charities - this is also meant to be a way to learn more about them!
- Please only pick charities that operate in Grundy County (the charity may be based elsewhere but the grant is only for their Grundy program).
- Those slips go into a basket.
- We pull 3 slips at random.
- If your slip is drawn, you have to stand up and in 3 minutes tell us why we should vote for your charity.
- You are limited to 3 minutes.
- Only one woman will pitch their charity.
- After 3 women have told us about their favorite charity, the gathering votes (\$100 per vote).
- The majority vote getter will receive a grant totaling the money collected that night.
- Your \$100 can be cash, a check written to the Community Foundation of Grundy County, or use your credit card at cfgrundycounty.com
- CFGC will deposit the money and write one check to the winning charity equaling the amount collected.
- Pose for a group photo!
- Adjourn until the next quarterly meeting.

"I know from experience how generous the residents of Grundy County are and how much *good* people do for others. Participating in the 100+ Women Who Care program is an easy, fun way to be a part of that generous community spirit. The meetings are brief, but I get to learn from the three ladies whose names are drawn which non-profits they support and why. The first-hand, personal stories are so heart-warming, and just a few moments later, we get to vote and learn immediately which group will receive the grant. The effects are immediate, and the positive impact is exciting!"

The money from the grant allowed us to get a much needed trailer, to pick up and deliver furniture. It was so hard for us to take several vehicles and borrow trucks all the time. We are so thankful to be able to make a difference in our client's lives. And having a trailer makes it so much easier. Thank you so much for choosing us.
